kids & teens programs

Pickles Group's successful activity-based peer group program for kids and teens impacted by their parent's cancer is free and designed to support your family's needs! We offer in-person programs North of Chicago and online for kids everywhere.

Pickles Youth build relationships with friends who get them in a safe, supportive, fun environment.

Sessions focus on the three things proven to support kids whose parents have cancer: peer-to-peer support, healthy ways to deal with feelings, and open, age-appropriate information and learning.

Event Type: Peer group program for kids and teens

Who Can Attend: Kids and teens impacted by a parent or guardian's cancer in 1st-12th grade.
